

The Preschool Buzz

May 3, 2024

THIS WEEK

We learned the letter Y. We made a yarn craft which helped us to develop our eye/hand coordination. We also spent time reviewing shapes.

It was great to get outside for recess in the beautiful weather. Our Bible story helped us learn that we can praise Jesus even when we are in scary situations.

NEXT WEEK

We will finish the alphabet with the letter Z!
We will review concepts and skills we have learned. Our Bible story will be about Paul's shipwreck.

BIBLE VERSE

We will review the verses we have learned this year.
