## Chapel Award

The chapel award this week went to Sophie Shepherd. Sophie currently has a cast on her right arm (this is also the hand she writes with) and she has been so flexible! Rather it's been with getting work done, asking for help when she needs it, or even just trying to eat her lunch – she has been flexible through it all. I appreciate your attitude, even when things are a bit harder for you to complete right now. Great job, Sophie!
