"Home & School"

What is Home & School HYBRID?

Our Hybrid Program offers a unique opportunity for 5th & 6th grade students to gain the benefits of being involved in a formal school setting two days each week while benefitting from their home education setting the remaining days.

Parents have the opportunity to educate their children at home while partnering with Mansfield Christian's instructors, who provide the curriculum framework and daily lesson plans. Hybrid students are MCS students and welcomed into the MCS community.
