

Five Reasons for Campus Wear

- Improve relations and promote peace between parents and children, staff and students, and parents and staff.
- Promote a more serious atmosphere for learning as we increase our focus on spiritual and academic objectives.
- Promote campus safety and security through quick identification of students and visitors.
- Promote a sense of school spirit, acceptance, and belonging at MCS for a student body that is separated geographically.
- Promote the real individuality of the students as seen in their God given gifts and abilities, not in their appearance.

Handbook

Prospective families will be given Campus Wear information in the Student and Academic handbook, at the time of their on-campus interview, detailing all the dress guidelines for students, kindergarten through twelfth grade.
