

Mrs. Killian's Newsletter

Aug. 28-Sept. 1, 2016

Please be sure to send in a water bottle daily for your child. Here is a quick look at what is coming up this week in class:

Bible-Our verse this week is Psalm 19:7b "The statutes of the Lord are trustworthy, making wise the simple." We are working on how to study the Bible.

Spelling-Unit 1 short a sound. This week every student will work on all 20 words. Next week will begin the groups. We start with a pretest on Monday-if a student gets a 100% on the pretest he/she does not take the test on Friday. The final test will be given on Friday.

Writer's Workshop- This week we will be working on grammar-basic sentence structure.

Math-We will begin our unit on addition. Rocket Math will start this week. Practicing facts at home really makes a difference!

Science-We are learning what skills and tools scientist use.

Social Studies-Our beginning unit is about community, country, and being a good citizen.

Reading-Hopefully, we will finish up with our benchmark testing and start our reading groups!

Bible Verse: Psalm 19:7b "The statutes of the Lord are trustworthy, making wise the simple."

STAR STUDENT: Owen Drexel

Spelling Unit 1 Short a sound

- | | |
|----------|-------------|
