

11/9/20 – COVID Email Update

Mansfield Christian School is committed to the safety and health of our students and staff. We want to inform you that we have recently received information about a confirmed case of COVID-19 in an *elementary support staff person* who is employed less than nine hours per week. No students will need to be quarantined as a result of this staff member's positive test. Additional cleaning and disinfecting of the exposed locations and common areas has been completed, and the staff member has been quarantined.
