Excerpt #2  
from Raising Godly Children...

What are the greatest gifts a mom/dad  
can give their children?

~LOVE your heavenly father.

~LOVE their father/mother.

~TIME-how you spend it shows what is  
important to you.

Praying for each of you as you raise your  
families to LOVE the Lord. This is the  
most rewarding and at times exhausting  
calling you will have. HUG those littles  
because it goes by too FAST!
