Chapel Awards

Joseph Kruse earned the award for "orderliness." He takes great care of all his supplies.

Noah Rapp earned the award for "respectfulness" to adults. He always remembers to look in the eyes of the person speaking to him.

Math Update:

We have been learning about solid shapes and flat shapes. Solids are sphere, cylinder, cone and cube. The flat shapes are triangle, rectangle, square, circle and hexagon. Also, we have learned the word vertices means corners.

Bible Verse:

**Hosanna! Blessed is He who comes
in the name of the Lord.**

John 12:13
