Dear MCS Families,

What a great first week! It has been pure joy to have the children back in the building and to meet new friends.

I hope your children enjoyed their first week too.

As we get back into the rhythm of the school year I would like to take a moment to remind parents to please NOT form two lines of traffic on Clearview Street. Please stay to the right. Once the 5 lanes of elementary traffic move forward you may move around those waiting in the secondary line to enter the parking lot. School staff will assist you with moving forward. By 3:15 it is usually clear enough to go directly into the elementary lot. Thanks for partnering with MCS.

Praising Him,

Paige Them

Elementary Principal
