## Immunizations for the 2024-2025 School Year

### Current 6th Grade Students

If your child is going into 7th grade next school year, they most likely will need some new immunizations. They must have a new Tdap and a Meningococcal BEFORE the first day of school.

### 2024 Kindergarten Students

Your child will probably need new immunizations BEFORE starting kindergarten. They need 4 DTaps, 3 Polios, 2 MMRs. 3 Hepatitis B's, and 2 Varicella.

Check with your health care provider or the Health Department. If you choose to exempt your student, please complete a *new exemption form in the Family Forms portion of FACTS or the MCS app. Please make sure Health Services office gets a copy of all new immunizations*

### Clothing Swap:

On Wednesday, March 6th, we will have a Clothing Swap in the Choir Room from 3:30-4:30. Please enter at either door 3 or 8. Drop off donations labeled with your name to the Elementary Office by Friday, March 1st for purchase credit.

### Timely Pickups:

Parents, we are still having several students that are not being picked up on time. Please remember to pick your student up by 3:30.
