## MCS Elementary E-Learning for Snow Days:

*What will this look like for my student?*

- PreK: Teachers will email parents educational activities to implement at home and enjoy together. These activities are not mandatory, but a provision and service.
- K-2nd: Communication of e-learning directions and assignments will be provided to parents via email.
- 3rd-6th: Students will receive notifications directly from their teachers. Students should check Google Classroom for assignments. Teachers will also provide communication by email.

Assignments will be posted by 9 am and teachers will be available to answer questions by email throughout the school day.

## Parent Teacher Conferences:

You are invited to participate in Parent/Teacher Conferences on Tuesday, February 6th and Thursday, February 15th.
