Parents and Guardians, please help us with the following:

- * Make sure your student arrives to school on time. Students that are tardy can impact the whole class and testing schedule. There are days that we will begin testing as early as 8:15 a.m.
- * Please do not schedule appointments on testing days.
- * Ensure that your child gets a good night of sleep and eats a healthy breakfast.
- * Confirm that your student is charging their Chromebook every night. (grades 3-6)
