If your child is going into 7th grade next school year, they will be due for additional immunizations. BEFORE the first day of school they will need to have received a new Tdap and a Meningococcal.

2024 Kindergarten Students

Before beginning Kindergarten students should have received the following dosages: 4 DTaps, 3 Polios, 2 MMRs., 3 Hepatitis B's, and 2 Varicella.

For more information please check with your health care provider or the Health Department. If you choose to exempt your student, please complete a *new exemption form in the Family Forms portion of FACTS or the MCS app.*

Clothing Swap:

On Wednesday, March 6th, we will have a Clothing Swap in the Choir Room from 3:30-4:30. Please enter at either door 3 or 8. Drop off donations labeled with your name to the Elementary Office by Monday, March 4th, for purchase credit.

Timely Pickups:

Parents, we are still having several students that are not being picked up on time. Please remember to pick your student up by 3:30.

Last Chance to Donate to the Dominican Republic Trip:

Over Spring Break 37 students/faculty/staff will travel to the Fountain of Life Christian School in the DR. They will serve those in the school community with vacation bible school, field day, and property maintenance work. They are requesting material donations to help provide supplies they have requested. Donations can be dropped off at Door 16 or 3. See page 2 for a list on items needed. Please keep them in your prayers as they go and serve.

Summer Day Camp:

MCS will again be offering Summer Camp for incoming grades K-6. Camp sign-up is open to our MCS families first. More information coming soon.
