Tardy Students:

Recently we have had an uptick in tardy students. Our start to the day is essential and having even one student late by 5 minutes disrupts routine and learning. The tardy bell rings at 8AM.

On a positive note, we have had a great start to the school year! The love and integrity we have witnessed from our students has been a joy for the entire staff. Keep up the great work at home, we greatly appreciate it!
