Hello MCS Families,

Wow, it has been a great start to the school year! We are overjoyed to have students back in the building! Our kiddos are doing a great job learning the new discipline program, "Walking Through LIFE Together." Students are looking at their personal choices through the lenses of Love (How we treat each other) and Integrity (How we follow the rules). As a staff, we have loved issuing merits and we hope you have been enjoying receiving emails and phone calls from our teachers showcasing your children's awesome choice-making! As a school, we are calling on God to create a culture that honors Him in all things from academics to behavior and from the classroom to the playground. Our mission is to come alongside you and help children in their walk with Christ. If you are unfamiliar with our "Walking Through LIFE Together" program please check out the parent -student handbook. We look forward to our students' continual growth and ask that you continue to pray for our students, staff, and school throughout the year!
