## THIS WEEK

Our class made a class puzzle which helped us to see that we are each a special piece of God's puzzle. Every piece is important and unique. We learned letters P & Q and the sounds they make. I have begun student evaluations, testing them on colors, shapes, numbers 0-10, and the letters we have learned so far. (A-Q) We will continue name writing practice.

## NEXT WEEK

We will learn about the letter R and review numbers 1-6. We will also be working on rhyming. Our Bible story will be "The Ten Lepers". This will be our last week learning the Bible Verse. A new verse will be posted in next week's Pre-K Buzz

## BIBLE VERSE

"...You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself.

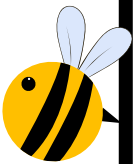

Luke 10:27

## THINGS TO KNOW

If all goes well, we should have 4 full weeks of school before Spring Break! It's been a rough start for our class this calendar year. I know we are all praying for some regularity in the schedule. Thank you all for being so gracious regarding this situation. Your children are learning and growing and I am very proud of them all!

\*Our Specials Classes:  
Tuesday - Music  
Thursday - PE (please wear tennis shoes)
