

The Preschool Buzz

September 15, 2023

THIS WEEK

We learned the letter A. We taste tested red and green apples and voted for which was our favorite. Green apples won 9 to 5! We made a colorful apple craft that is hanging outside our classroom. We also learned about how Noah obeyed God and built the ark.

NEXT WEEK

We will be learning about the letter Bb. We will also be learning about bees, particularly honey bees. Our Bible story will be about Abraham and Sarah.
