

## NOTE FROM THE NURSE

If your child is going into kindergarten this fall they probably need new immunizations. PLEASE check with your health care provider. They must have 5 Dtap's, 4 Polio's, 2 MMR's, 3 Hepatitis B's and 2 Varicella's **BEFORE the first day of school.**

If your child is going into 7<sup>th</sup> grade they will also probably need new immunizations. They must have a new Tdap and a Meningococcal **BEFORE** the first day of school.

If you have a student going into 12th grade they also need a new immunization. They will have to have a Meningococcal **BEFORE** school starts.

The State requires these immunizations. IF you choose to exempt your student PLEASE complete a new Exemption Form which can be found on the school website or school offices.

**BE SURE TO GET THE NEW RECORDS TO THE SCHOOL.**

Thank you so much,

JoAnn Frantz RN
