

ACT Preparation Seminar

**January 17 (3:15—5:30), January 22 (3:15—5:30),
January 24 (3:15—5:30), & January 28 (3:15—5:30)**

Dear Students and Parents:

Mansfield Christian High School does a great job preparing its students with the subject-area content knowledge they'll need for college and beyond. However, no high school curriculum readies its students for the specific challenges of the ACT. When students not only understand content areas, but also are familiar with the test structure and types of questions they'll see on the ACT—and can employ the requisite specific testing strategies and time management skills—they then can perform at their highest level. They'll feel confident on test day and experience less testing anxiety. An increase of just one or two points on the ACT can make the difference between acceptance and significant financial aid awards or a student not gaining admission.

Innovative Educational Services utilizes a dedicated team of professionals with over 20 years of ACT test preparation experience who specialize in teaching students how to maximize their score on the ACT. Students are immersed in the test's structure and format and exposed to the latest testing and time management strategies for the ACT, typically resulting in student score increases of 2.0 composite points or more.

Mansfield Christian HS is very committed to increasing its college admissions and placement rate and ACT profile and, through a special arrangement, will host here at the school this nine-hour, four-afternoon, comprehensive seminar for our students for a special price of just \$89 each. Individual sessions are \$25 each. The schedule is as follows:

Session 1	Thursday	January 17	3:15—5:30 p.m.	General Strategies & Reading
Session 2	Tuesday	January 22	3:15—5:30 p.m.	Mathematics
Session 3	Thursday	January 24	3:15—5:50 p.m.	English & Writing
Session 4	Monday	January 28	3:15—5:30 p.m.	Science Reasoning & Summary

The price includes the 4 seminar sessions, a comprehensive textbook, and online testing access for use after the session. Similar programs range from \$199 to \$300 per student. *We highly recommend these seminar sessions.* Don't miss this opportunity to provide a best-in-class instructional and informational opportunity for your student.

To register: Please sign up in the high school office by Monday, January 14.

Complete the form below & bring it along with cash, money order, or check (made out to "IES") for \$89 or \$25 times the number of sessions you will attend.

Please remind your student to bring note-taking paper, a calculator, pencils, and a highlighter.

Thank you!
