**COMING SOON!!**

## **STUDENT & PARENT/GUARDIAN ACKNOWLEDGEMENT**

By being enrolled in Mansfield Christian School, you are acknowledging your responsibility to carefully read and abide by the policies and standards stated in this Student-Parent Handbook and the Academic Handbook.

## **TO THE PARENT/GUARDIAN**

This handbook has been prepared to explain and clarify the procedures, policies, and regulations at Mansfield Christian School. It is essential that all parents read and discuss this material with their children. We believe that parental involvement and support is vital for the success of our students; therefore, we desire that all who have chosen to be a part of MCS are well aware of our purpose, goals, and policies.

Mansfield Christian School's biblical role is to work in conjunction with the home to mold students to be Christ like. Of necessity, this involves the school's understanding and belief of what qualifies, or characteristics exemplify a Christ like life. The school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activities of the student are counter to or are in opposition to the biblical lifestyle the school teaches. This includes, but is not necessarily limited to, participating, supporting or condoning sexual immorality, homosexuality activity, bisexual activity, or transgender identity promoting such practices; or being unable to support the moral principles of the school. (See Lev. 20:13 & Rom. 1:27, I Cor. 6:9-20 & Mat. 19:4-6)

## **NON-DISCRIMINATORY POLICY**

Mansfield Christian School admits students of any race, color, and national and ethnic origin and extends to them all the rights, privileges, programs, and activities generally accorded or made available to students at the school. We do not discriminate on the basis of race, color, or national and ethnic origin in administration of educational policies, scholarship programs, athletics, and other school-administered programs. MCS reserves the right to select students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications including a willingness to cooperate with MCS administration and to abide by its policies (Romans 2:11).

## **CONFLICT RESOLUTION**

As with any institution, there is the potential for misunderstanding, disagreement, and even wrongdoing. Nevertheless, it is God's will that we work together in harmony, always giving a "good report" and striving for unity. When conflicts, concerns, and disagreements occur, the following principles should be followed. These principles are based upon Matthew 18:15-17:

1. Keep the matter confidential (no gossip).
2. Keep the circle as small as possible (two parties).
3. Be straightforward (face-to-face).
4. Be forgiving.
5. The individuals should agree to share the matter with the Principal if still unresolved.
6. The Superintendent should be brought into the process by the Principal if still unresolved.
7. The Superintendent will explain the conflict to the President of the School Board if still unresolved.
8. The School Board President will determine if the matter should be presented to the Board or resolved by the administration.

In summary, the Matthew 18 principle requires that parents talk to teachers about their children's problems before they talk to administrators. If unresolved at the two-person level, the matter should be prayerfully addressed at the next logical level.

## **POLICY FOR STUDENT USAGE OF TECHNOLOGY**

Mansfield Christian provides students access to an interconnected computer system and Internet within the school. Laptops, desktop computers, Chromebooks, and iPads are available for student use. The access to computer networks and the Internet are for educational purposes *only*. The school reserves the right to monitor, inspect, copy, review, and store, at any time and without prior notice, any and all student usage of computers and Internet access, as well as all information transmitted or received in connection with such usage.

Seventh through twelfth grade students are issued a Chromebook to be taken home and used during the school day. Parents and students are required to read and sign a usage agreement before being given their device. (See Chromebook Policies)

The focus of the 1:1 program at Mansfield Christian School is to prepare students for their future, a world of digital technology and information. The use of technology will encourage students to solve problems and think critically by stimulating analytical thinking.

Online safety is an important shared concern for both school and families. The handling of connected technology devices such as computers, tablets, smart phones, and mobile phones can do much to affect student safety. Parents/guardians maintain the responsibility for monitoring student usage at home and putting into place appropriate measures to ensure student responsibility.

MCS owned student devices are issued with filtering software set-up on the machine to assist parents in helping to guide their child's online usage by blocking certain categories of web content.

The following practices are recommended:

1. Ensure that devices are used in "public" areas of the home. Families are a child's best filter. It is important to be present both for accountability as well as being available to answer questions that may arise from unexpected or inappropriate online experiences. Bedrooms should be considered off-limits for connected devices.
2. Have a designated overnight place for connected devices. School-aged children are not always good at self-regulating their device usage. Help your student get a good night's rest by storing cell-phones, computers, and other devices in a designated area other than where the child sleeps. This can help avoid late-night texting, all-night gaming sessions, and other unwanted situations you are not available to monitor.

### **Lost/Damaged**

If the Chromebook is lost or stolen, a parent/guardian should immediately report the loss or theft to the office. Parents are responsible for the replacement of a lost or stolen Chromebook. If the Chromebook is damaged or not working properly, it must be turned in to the office with the completed Chromebook Incident Report. Parents/guardians are not authorized to attempt repairs themselves or contract with any other individual or business for repair of the Chromebook.

Parents/guardians/students will be responsible for the entire cost of repairs that are the result of willful damage to the Chromebook, case, or power supply/cord. In the event the Chromebook or power cord become lost or stolen, the parent/guardian/student will be responsible for the cost to replace them. (See Chromebook Policies in detail on the Mansfield Christian website)

### **Netiquette**

All users must abide by rules of network etiquette, which include:

1. Be polite.
2. Be safe. (Do not reveal personal information such as your home address and telephone number.)

Uses that are considered unacceptable and constitute a violation of school policy include:

1. Uses that are offensive to others
2. Uses that violate the law or encourage others to violate the law
3. Transmission of offensive or harassing messages
4. Uses that cause harm to others or damage to their property
5. Uses that jeopardize the security of student access and of the computer network or other networks on the Internet. (For example, do not disclose or share your password with others.)
6. Accessing controversial or offensive materials
7. Commercial transactions (Students may not sell or buy anything over the Internet.)

### **Failure to Follow Policy & Breach of Technology Agreement**

Student use of the computer network and Internet is a privilege, not a right. Any student who violates the school technology policy and/or Internet agreement shall, at a minimum, have his or her access to the computer network and Internet terminated. The school may refuse to reinstate computer access for the remainder of the student's tenure. A student breaches his or her agreement not only by violating the policy but also by failing to report any

violations by other students. Furthermore, a user violates school policy if he or she permits another person to use his or her account and/or password to access the computer network and Internet, including any user whose access has been denied or terminated.

### **Off Campus Internet Use**

Consistent with the philosophies of this school, we expect our students to maintain proper Christian conduct when using the Internet off campus. Should the administration have reasonable suspicion of harmful or inappropriate content involving our students, public Internet sites may be examined for evidence. As both the school's testimony and the Lord's testimony are at stake, disciplinary consequences may be pursued.

### **Social Networking**

Any MCS student who has a social network site must refrain from posting any material, content, pictures, music, or other communication on his site that would violate rules set forth in this handbook, be reasonably considered harassment, and/or damage the testimony of our Lord.

### **ATTENDANCE AND TARDY POLICIES**

Because MCS has the legal responsibility to do all in its power to ensure that each student receives the maximum potential benefit by school attendance, all students and parents shall comply with the following policies:

1. When a student is absent from school, the parent should either leave a message on the sick call line (756-5651 ext. 306) early in the morning of the absence, identifying yourself and providing the student's name and reason for the absence or email the attendance secretary as soon as possible.
2. When the student returns to school, whether full day or half day, the student is required to bring a note from a parent stating the reason for his/her absence (without a note = unexcused). Notes are to be brought to the secondary school office prior to first period. (If the parent emailed the attendance secretary on the day of the absence, the email shall be considered the required note and no other note need be submitted.) A valid excuse should include:
  - a. Student's full name
  - b. Date(s) absent
  - c. Reason for absence
  - d. Parent/Guardian signature (not needed if parent sent an email)
3. A distinction will be made between "excused" and "unexcused" absences. Homework/classwork and tests missed during an excused absence can be made up; however, homework/classwork and tests missed during an unexcused absence will be graded down. In addition, disciplinary action may be taken. Excused absences or tardies are listed below. Reasons outside this list are considered unexcused.
  - a. Personal illness
  - b. Medical or dental appointments
  - c. Family illness requiring student's help at home
  - d. Death or funeral of relative or close friend
  - e. Emergency at home
  - f. Travel or vacation taken with prior administrative permission
  - g. College visits with prior administrative permission and proper college visit permission form (forms are available in the Secondary Office or on the MCS website)
4. When a student arrives to school following an absence (even if after a partial day absence), the student must report to the secondary office and receive an admit slip that must be shown to each of the student's teachers. The admit slip will indicate whether the absence or tardy is excused or unexcused. If the student is admitted to class with an unexcused absence due to lack of a parental note excusing the absence, then the student must report to the secondary office to receive another admit slip later when the absence has been excused. A student will be given three school days to produce a written excuse.
5. When a student is representing MCS in an approved school activity, class absence will not be charged against the student's attendance record. If a class absence is related to an accident or delay due to transportation, class absence will not be charged against the student's attendance record.

6. When a parent/guardian is aware of a special problem concerning a lengthy student absence (e.g., serious illness requiring medical treatment), he/she must notify the administration of the nature of the problem in order that an alternative educational experience may be developed which ensure that minimum course requirements are met.

7. Students may be denied academic credit for being absent more than 14 class periods for a particular course during a semester, whether excused or not.

8. Tardiness to School and Classes:

- Students who are unexcused tardy to school (8:00-8:20) will receive a detention upon the third unexcused tardy during a quarter.
- A warning will be issued for the 4<sup>th</sup> unexcused tardy to school.
- If a student is unexcused tardy for the 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> time during a quarter, the student will receive either an after school detention or a 7:15 a.m. detention for each of the tardy arrivals.
- The administration will reserve the right to declare a day as risky due to weather or other events, and will not be counted in the total.
- The disciplinary procedures for unexcused tardies to school also apply to being unexcused tardy to each class period including late return from lunch.

9. Early Dismissals: Students needing to leave school early for a valid reason must bring a note explaining the reason and signed by a parent or guardian. Notes must be brought to the secondary school office before school (8:00 a.m.). An early dismissal will be granted for the same reasons allowed for excused absences. Students must sign out upon leaving (and sign back in upon their return if they are planning to return during the same day).

10. In the event that a student becomes ill while in school, he/she must report to the health room (or office if the health room is not available) and a parent/guardian will be notified and permission to leave granted by an administrator. No student should ever sign out and leave the building without obtaining permission from an administrator for any reason.

11. Parents are asked to refrain from requesting that their child be allowed to “run errands” during the school day. No notes will be “kept on file” giving the student permission to leave “as needed.”

12. One day per week only (to be determined by the administration) seniors are allowed to leave the school grounds at lunch with written parent permission. Parents who do not desire to have their child with this privilege should individually instruct their child of that fact. **A n y** student may leave for lunch with their parent or grandparent but must sign out in the office and return from lunch for the start of the class period immediately following their lunch period. Students are NOT PERMITTED to leave for lunch with anyone other than their parent or grandparent, even with written parental permission. This includes students riding with other students.

## **DRESS CODE**

Mansfield Christian School requires coordinated clothing for students called *Campus Wear*.

*Campus Wear* projects an atmosphere of solidarity, loyalty, and equality among the students. It works to eliminate unnecessary competition in dress and focuses attention on learning. Also, experience has shown that students required to maintain a neat appearance and to coordinate their wardrobe within the established parameters are likely to carry over these habits to the performance of their schoolwork. *Campus Wear* is a positive method of helping to establish good habits and promote a climate for responsibility and discipline.

There are five major reasons for the use of *Campus Wear*:

1. Improve relations and promote peace by decreasing conflicts over clothing
2. Promote a more serious atmosphere for learning, increasing our focus on spiritual and academic objectives
3. Promote campus safety and security through quick identification
4. Promote a sense of school spirit, acceptance, and belonging
5. Promote the real individuality of the students as seen in their God-given gifts and abilities, not in appearance

**School Closet**, located in Columbus, is our exclusive provider of new ***Campus Wear*** (except for outerwear which is provided by more than one vendor). All *Campus Wear* must be purchased at School Closet unless otherwise noted in the handbook. Do not attempt to try to substitute other clothing for our school attire. This type of intentional deception is wrong, and students will be punished accordingly.

*All students must be registered with School Closet prior to the new school year. Students are registered when they are fitted and place an order. Students may attend one of the scheduled fitting times on campus or they may go directly to the School Closet store in Columbus.*

## **GENERAL GUIDELINES FOR 7-12**

The administration reserves the right to make discretionary judgments regarding dress code. If you have any questions about clothing or hairstyles, please check with the administration.

However, *Campus Wear* shirts must be worn underneath outerwear. *Spirit Wear* is always approved outerwear and do not need additional administrative approval. No more than 1 layer of outwear is to be worn at any time (including sweatshirts).

## **EXPECTED CODE OF CONDUCT**

Obedience, respect, and responsibility are key virtues that students must develop. Obedience to rules and guidelines is essential to the development of maturity (Luke 2:51, Hebrews 5:8). It results in genuine freedom in life (John 8:32). Respect is necessary for all successful and meaningful relationships (Luke 10:36-37, Romans 12:18), and the building of personal responsibility fosters a sense of achievement. Both responsibility and achievement are necessary ingredients to the development of self-worth (I Corinthians 10:31, Ecclesiastes 9:10, Romans 14:12).

As we seek to provide a balanced and disciplined learning environment for the students of Mansfield Christian School, we realize that human wisdom falls short of God's standards. We do not claim to be perfect in all our decisions, but we do try our best to discipline in a way that is biblical and pleasing to God. As partners in the discipline process, it is important that the school and the homework cooperatively for the students' good. Since we teach the students to obey and submit to their parents, it is imperative that parents maintain that continuity by upholding and teaching the principles taught at school. We can instill in students proper Christian educational and moral principles only through a program that includes clear disciplinary procedures, and as students and parents, your cooperation in that program is crucial. (Please be aware that the administration reserves the right to make discipline decisions on an individual basis.)

Our goal should always be to obey the Scripture that says, "And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him" (Colossians 3:17, NIV). In the best interest of the entire school community, certain guidelines of conduct must be maintained by all students of MCS, both on and off campus, so that we might all live and work happily together.

These general guidelines for student conduct (Code of Conduct) are listed below:

1. Practice courtesy and consideration in your association with teachers, school employees, fellow students, and visitors. Respect their person and property. (See Ephesians 4:28-32.)
2. Respect the authority of teacher, administrators, and staff members, and treat them courteously, respectfully, and obediently as unto the Lord. (See Hebrews 13:17 and I Thessalonians 5:12-13.)
3. Abstain both on and off campus and at all times (24/7/365) from the use or possession of alcoholic beverages, tobacco, drugs, tobacco or drug paraphernalia, vape pipe, and pornography as well as from gambling and other undesirable practices that are generally recognized to be harmful to health and Christian character. (See I Corinthians 6:19- 20.)
4. Abstain from profanity and vulgar or abusive speech and actions. Such speaking and acting is harmful to others and is certainly not appropriate or conducive to your moral and spiritual development. (See Ephesians 4:29.)
5. Refrain from a public display of affection on campus. As students, you are expected to conduct yourself in a discreet and Christian manner. Therefore, while on campus, you should follow a "hands off" policy.
6. Leave all annoying or dangerous items such as knives, water pistols, lighters, and matches at home. Radios, CD players, and other electronic devices (except cell phones) are not allowed at school either. Cell phones are not to be used during the day without express staff permission and should be used only in the school office during the school day.
7. Do your own work – do not give or receive help on tests or homework unless the teacher has granted this privilege on a particular project. Your record should reflect your individual effort. Since honesty is a Christian virtue that should be displayed by all students, we consider cheating a serious offense. During a test, a quiz, or an exam, it is your responsibility to avoid every appearance of cheating. All books and papers must be out of sight. No talking is allowed. In fact, talking during a quiz or test may be dealt with in the same manner as cheating.
8. Avoid plagiarism, which is a serious offense. The definition of *plagiarism* is "the use of another writer's ideas or words without giving the writer credit for them."
9. All school rules apply on all field trips and on all school-sponsored events, both on the school campus and away from it.

## **STUDENT BEHAVIOR CODE AND DISCIPLINE ENFORCEMENT**

1. Students are expected to represent MCS in a positive manner even when they are not on school grounds and/or attending school functions or extracurricular activities. Students and parents acknowledge and understand that students are subject to disciplinary action by the school for conduct occurring off campus or during non-school hours, including weekends, holidays, and summers. MCS reserves the right to suspend or dismiss a student for misconduct on or off the school campus 24/7, and without regard for whether the form of discipline is identified specifically herein, and without regard for whether it is specified as improper off campus. While MCS has no control over student activity off campus that is not school sponsored and does not supervise student conduct off campus during an activity which is not school sponsored, misconduct during such activity may come to the attention of school authorities and may result in the administration of discipline, including suspension or dismissal.
2. School property shall be protected. Defacing or damaging school property which is malicious or careless in nature, and which results in destruction or damage will result in both appropriate disciplinary action and the replacement of such property (or fair market value) by the student and/or his parents or legal guardians as deemed by the school.
3. MCS reserves the right to invite law enforcement to visit at any time during the school year to search for drugs. It also reserves the right to search any property, including automobiles, brought onto MCS premises. Any alcoholic beverages, drugs, or drug paraphernalia found in lockers, cars, or other items under the student's control will constitute possession.
4. No student on Disciplinary Probation is eligible to hold a class office.

## **DETENTION POLICY**

It is the responsibility of the students to check with the office and see when they are to serve. Detention will normally be held on Wednesdays from 3:15 p.m. until 4:00 p.m. No student will be admitted after 3:15 p.m. No one will be excused from serving his detention or allowed to change their detention date without the written permission of the administration. No sleeping, talking, listening to iPods, or cell phone activities will be allowed during detention. Cell phones will be collected at the beginning and returned at the end of detention.

*Offenses that may result in detention include, but are not limited to, the following:*

1. Three (and more than four) unexcused tardies to any one class or to school during the quarter
2. Three (and more) unexcused missing or poorly done homework assignments from the same class during the quarter (This applies to junior high classes only. However, see number three for all students.)
3. Failure to be prepared for class after warnings
4. Unwholesome language or profanity
5. Littering anywhere on school property
6. Meddling with another student's property
7. Failure to sign-out or sign-in of the office
8. Continued talking or disrupting class
9. Bringing prohibited items to school: water pistols, water balloons, comic books, computer games, playing cards, lighters of any kind, or laser pointers
10. Food, candy, gum, or drink in the classrooms
11. Use of cell phone, iPod, tablet, etc. without permission
12. Dress code violations
13. Leaving book bags or other material in the hallways

## **ACCUMULATION OF DETENTIONS**

If a student receives 3 detentions, for any reason, the fourth assigned detention will result in the student being assigned a Friday School. If the student receives two Friday Schools during one year it will result in the student receiving a 3 day out of school suspension and the student being placed on a probationary contract. This can be modified at the discretion of the Administration depending upon the severity of the infraction.

## **MISSED DETENTION**

If a student does not arrive to serve a schedule detention, the student automatically is given two detentions. If the student repeats this behavior, further consequences are assigned at the discretion of the Principal.

## **OUT-OF-SCHOOL SUSPENSION**

Students suspended out-of-school for any length of time may be asked to sign a probationary contract. Suspended students are not to be on school property at any time during the suspension. Students may make-up any tests or quizzes missed during this time according to teacher timelines. Homework or other in-class work missed may be made-up with a maximum of 50% credit as a result of the suspension. Any student athlete placed on suspension will be required to sit out at least one game (next regular season game on schedule) for any sport then in season. This game may or may not be during the suspension.

## **FRIDAY SCHOOL**

At the discretion of the Secondary Principal, Friday School may be used as an option in the event of necessary disciplinary action. The Guidelines for the operation of Friday School are as follows:

- Friday School will meet from 3:15 p.m. until 6:15 p.m. The student will go directly from their last period class to Friday School. No one will be admitted after 3:15 p.m.
- Students will not be allowed to use their phone except in cases of emergency.
- Students will not be permitted to go to lockers or anywhere else in the building without permission.
- Students are required to have schoolwork with them when they attend Friday School.
- Absolutely no food or beverages are permitted.
- A restroom break may be permitted at 4:30 p.m. At this time, movement is restricted to the restroom only.
- If a student is ill on the day of a Friday School, he/she must bring in a medical excuse for that day.
- The following may result in an out-of-school suspension
  - Skipping Friday School
  - Violation of Friday School or other school rules
  - Refusal to attend Friday School.

## **DISMISSAL**

MCS reserves the right of suspension or dismissal at any time during the school year. Any student who persistently neglects work, who fails to meet academic or other standards or qualifications or who exercises poor conduct, one who fails to cooperate, or whose parents fail to cooperate, may be asked to withdraw from the school. Dismissal will be administered by the Principal with the advice and approval of the Superintendent. Appeal of a dismissal must be made in writing to the Superintendent within three days of the dismissal notification. A student may not attend classes during an appeal.

A student who has lost the privilege to attend MCS may attend MCS related events at the discretion of the administration. If the administration deems that a student may attend school events, a parent must accompany the student. If the administration permits, the student may drop off or pick up siblings from school.

Dismissals may occur when any of the following take place: possession, distribution, solicitation, or use of illegal drugs of any kind (including counterfeit drugs, drug paraphernalia, tobacco products of any kind and vaping paraphernalia), or the misuse of any prescribed drugs of any kind, on or off school property; possession, consumption, supplying, or selling of alcoholic beverages on or off campus; repeated conduct violations that resulted in suspensions; failure of parents to cooperate with MCS in the discipline of their children; assault or battery of staff or students; sexual misconduct such as physical conduct and/or contact of a sexual nature; verbal abuse of a sexual nature; sexual innuendoes and gestures or other serious sexual misconduct; computer/internet use for immoral purposes; possession or use of a weapon of any kind in a threatening or dangerous manner, which is perceived to be capable of inflicting serious harm; or possession, transfer, sale, or discharge of any gun (including a starter or pellet gun), firearm, or any other explosive device, of any type, whether loaded or unloaded, on or off campus.

## **DISCIPLINARY PROBATION**

1. **Purpose:** Disciplinary Probation is to prevent the possible dismissal of a student due to behavioral issues and to create a viable, tangible incentive for the student and parents to seek out behavioral and spiritual reform.
2. **Criteria:** This program should be initiated at the discretion of the Principal in concert with the Superintendent. It is to be administratively subjective. Some criteria to direct the administration in making this decision are 1) the student has manifested a physical threat to other students or faculty, 2) the student has become a negative influence on his peers to the extent of drawing his peers into similar actions (i.e. smoking/vaping, disrespect, impacting the learning environment negatively, inappropriate behavior, etc.), 3) the student has been a habitual offender of the disciplinary policy of the school, or 4) the student has been suspended for a serious breach of conduct.
3. **Program:** A written notice of possibly placing a student on disciplinary probation will be initiated by the Principal. The Principal will notify the parents of the possibility of the probation. At the administration's discretion, a conference will be held with the parent and student in regard to disciplinary problems. Based on this conference, the administration will decide whether or not this particular student merits a probation or expulsion. If the administration deems it beneficial to place the student under a disciplinary probation, a Disciplinary Probation Contract will be drafted for the student outlining the behavioral guidelines that the student is expected to maintain, the duration of the probation, and the consequences of fulfilling the probation or failing to fulfill the probation.
4. **Procedure:** The Disciplinary Probation Contract is to be signed by all parties involved (i.e. student, parent(s), Principal, and Superintendent). Copies are to be distributed to all parties. It will be the responsibility of the Principal to ensure that the contract is being upheld. Violation of the contract by the student will be noted by the Principal and submitted in writing to the Superintendent. The student will then face other consequences, including possibly expulsion.

## **RESTORATION**

MCS reserves the right to deny readmission to any student whose actions demonstrate that it is in the school's best interest not to allow readmission. The request for readmission should be in writing to the Superintendent. Restoration at a Christian school is always a difficult matter. Students who have been expelled from MCS or other schools must present evidence of genuine repentance and carry out a school-designed restoration program. If a student has been dismissed or asked to withdraw, been given due consideration, and desires reinstatement, the student must wait a minimum of six months before reapplying. During that time, the student must be involved in a program of church attendance and youth group involvement as well as student and parent counseling. During the restoration period, schooling must continue at another school or home school. Upon completion of the reinstatement restoration program, recommendations by the student's pastor, youth pastor, and school-designated counselors will be considered by the Principal and Superintendent to determine the student's reinstatement. Students returning will be on disciplinary probation for one year.

## **READMISSION**

Any student dismissed from MCS, or allowed to withdraw, will not be allowed to apply for readmission for at least one semester. Requests for readmission should be made in writing to the Superintendent. MCS reserves the right to deny readmission.

## **CONTINUED ENROLLMENT**

MCS reserves the right to deny continued enrollment to any student whose actions and/or attitudes demonstrate that it is not in the best interest to allow reenrollment. Students who have demonstrated through detentions, progress reports, and poor attitude a lack of interest in being at MCS will be interviewed by the Principal. A poor attitude may be reflected through a lack of compliance with the dress code, response to discipline, respect for authority, etc. After this interview, a conference with the parent(s) will be scheduled. Students may be placed on disciplinary probation with enrollment for the following year withheld until a review of the student's progress has been evaluated.

## **DRUG AND ALCOHOL POLICY**

Mansfield Christian School believes that the consumption, buying, selling, or transfer of drugs and/or alcohol by our students cannot be tolerated and may result in dismissal of the offending student or students. The administration of MCS reserves the right (as per the safety of that student or any other student) to require random drug testing with the understanding that confidentiality will be maintained. If the parents and/or student refuses, then the student's privilege to attend MCS will be revoked.

## **DRUG TESTING POLICY**

Upon reasonable suspicion by a staff member/student/parent that a student is under the influence or was under the influence of a drug or alcohol while on or off school grounds, that student may be required by the school nurse or by the principal or designee to submit to a drug use or alcohol test at any time. The student's parent will be notified prior to any test. The student will be notified to report to a collection site within 3 hours. The student is not permitted to return to school until the test results have been given to the school administrator.

This collection procedure is subject to change because of procedural requirements by the testing agency. The School Board reserves the right to change the collection procedure to coincide with the testing guidelines set forth by the testing agency.

When using rapid screens, all non-negative screens will be sent out with a chain of custody to a certified laboratory for confirmation. A Certified Medical Review Officer will verify the positive test.

## **NON-VIOLENCE POLICY**

MCS has a no tolerance policy involving threats or perceived threats of violence by students. Parents should understand that the school's first responsibility is the protection of all of its students. The school takes this responsibility very seriously.

Students are not allowed to talk about committing an act of violence, threaten to commit an act of violence, or joke about committing an act of violence toward anyone at MCS. Students are also not allowed to possess any instructions on how to commit an act of violence. If the administration determines that a threat of violence is credible and specific (directed toward particular students or staff), the student will be immediately suspended and a recommendation to expel may be delivered to the school board. For the purposes of this policy, credible means a reasonable belief or suspicion, determined by the administration, that the threat was or might be genuine, or that the student was or might be capable of carrying out the threat.

In ~~these~~ circumstances in which the administration determines that the threat is not likely credible, the school may suspend the student pending a parent meeting. These include all cases in which the student was "just joking." If circumstances warrant, the school may conduct further investigation. The school may require students in this circumstance to obtain counseling from a Christian counselor or other professional agreeable to the school until the counselor advises the school that the student, in the counselor's opinion, does not present a threat of danger.

## **SEARCH AND SEIZURE**

In order to maintain order and discipline in the school and to protect the safety and welfare of students and personnel, school authorities may request a search of a student, student lockers, or student automobiles under the circumstances outlined below and may seize illegal, unauthorized, or contraband materials in the search.

1. **Personal Searches:** A student and/or personal effects (e.g., purse, book bag, etc.) may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. Students may be asked to empty their pockets, pocketbooks, wallets, book bags, etc. without the parent's permission or the student's permission. Registration of the child constitutes parental consent to such searches. If the student refuses and the school feels a personal search of the student's person or belongings are required (as per the safety of that student or any other student), then the parents will be phoned and must come to the office to perform the search. If the parents fail to come to the school to perform the search within a reasonable time (one hour) and/or the student refuses to empty his/her pockets or remove from his or her person what is suspected, then the student's privilege to attend MCS will be revoked.

2. **Locker Searches:** Student lockers are MCS property and remain at all times under the control of MCS; however, students are expected to assume full responsibility for the security of their lockers. MCS exercises exclusive control over school property, and students should not expect privacy regarding items placed in school property because school property is subject to search at any time by MCS officials. Students are responsible for whatever is contained in desks and lockers issued to them by the school. Periodic general inspections of lockers may be conducted by school authorities for any reason at any time without notice, without student consent, without parental consent, and without a search warrant.
3. **Automobile Searches:** Students are permitted to park on MCS premises as a matter of privilege, not a right. MCS retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student vehicles on campus. The interiors of student vehicles may be inspected whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside. The same procedures will be followed as in a personal search.
4. **Seizure of Illegal Materials:** If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to the proper legal authorities for ultimate disposition.

### **ANTI-BULLYING POLICY**

Everyone at MCS is committed to making our school a safe and caring place for all students and employees. We will treat each other with respect, and we will refuse to tolerate bullying in any form. Examples of bullying include, but are not limited to:

- Malicious intent to cause physical or emotional harm
- Ganging up on someone
- Teasing, humiliating, or intimidating actions/language.
- Insulting someone's race, family status, culture, gender, size, or appearance

Students found to be bullying others may be subject to immediate suspension and/or expulsion. Students at MCS will be taught the following:

1. be respectful
2. refuse to bully others
3. refuse to let others be bullied
4. refuse to join in when another is bullied
5. report bullying to an adult. Bullying is a behavior that is clearly not consistent with the Biblical philosophy of MCS.

### **ANTI-HARASSMENT POLICY**

It is the policy of the MCS Board of Education to maintain an educational environment which is free from all forms of unlawful harassment, including sexual harassment. Such behavior is inconsistent with the Christian tenets and Biblical philosophy of MCS. This policy applies to unlawful and immoral conduct occurring at any time, on or off school property. Students who believe that they have been unlawfully harassed by another student or member of the school community or a third party are entitled to utilize the formal investigation and complaint process. Initiating a complaint will not adversely affect the student's participation in educational or extracurricular programs.

Students are encouraged to promptly report incidents of harassing conduct to a supervisor, teacher, or administrator, so that the administration may address the conduct before it becomes severe, pervasive, or persistent. The administration will meet with the student and contact the parents to advise them of the intent to investigate. The administration will make every reasonable effort to protect the rights of parties and maintain the confidentiality of the investigation.

The administration will take immediate steps to impose disciplinary action, which may include dismissal, on any student engaging in any of the following prohibited acts:

- a. Retaliating against a person who has reported alleged harassment or has participated as a witness
- b. Reporting a malicious or knowingly false account or complaint of harassment
- c. Purposefully delaying the investigation of allegations of harassment

## **Sexual Harassment Defined**

Sexual harassment between students is defined as “any unwelcome sexual conduct by any other student that is severe, persistent, or pervasive enough to limit a student’s ability to participate in or benefit from an education program or activity, or that creates a hostile or abusive educational environment.” This conduct can be nonverbal, verbal, or physical, and the behavior in question does not necessarily have to be aimed at the student who is complaining of harassment.

Prohibited acts that constitute sexual harassment may take a variety of forms. The administration will determine if the offense constitutes sexual harassment. Sexual harassment does not include legitimate non-sexual touching or conduct, and simple horseplay, childish vulgarities, adolescent flirting, or other simple childish behavior. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- a. Sexual advances including propositions, invitations, flirtations, or obscene gestures
- b. Physical assault or unwelcome physical contact
- c. Using words, pictures, objects, gestures, or other actions relating to sexual activity or a person’s gender that have the effect of causing embarrassment, discomfort, or reluctance to participate in school activities.

## **Reports and Complaints of Harassing Conduct**

Students who feel they have been unlawfully harassed should file a formal written complaint with an administrator or counselor. All complaints should be in writing and signed by the complainant. Once the formal complaint process is begun, the investigation will be completed within 30 calendar days of the complaint being received, unless a greater amount of time is deemed necessary due to extenuating circumstances.

The parents or guardian of the complainant will be contacted immediately. If the alleged harasser is a student, the parents of said student will also be contacted. The investigation may include interviews of witnesses to provide any evidence they believe to be relevant to the situation. A written report will be prepared by the administration, summarizing the evidence gathered and providing recommendations, and presented to the school board at the conclusion of the investigation.

Consistent with the board policy manual, the school board and administration will determine if the offense warrants immediate dismissal from MCS. If either the complainant or student accused of harassing conduct is dissatisfied with the decision, an appeal may be made to the Superintendent who will review the case with the board.

## **STUDENT ACTIVITIES**

Positions of leadership within the school or class will be reviewed by the administration and advisors/coaches should a student be suspended from school. The student may then be removed from this position. No student on probation is eligible to run for class office. Students desiring to run for class office and hold a position of leadership must possess a minimum grade point average of 2.0. All candidates for office will be reviewed by the administration and the appropriate advisors.

## **GENERAL INFORMATION AND POLICIES**

### **A. BUILDING HOURS AND SECURITY**

The building is opened in the morning by 7:30 a.m. Students are expected to clear the building by 3:30 p.m. each day unless supervised by a faculty member. MCS has developed a Crisis Response Manual that addresses procedures to be followed in the event of an emergency. Copies of this information are available in the secondary office. To further ensure safety, we lock all doors at 8:15 a.m. Visitors to the school are only allowed after being photo identified by a secretary or administrator.

### **B. CARS**

Students who drive to school are to observe safe driving practices. A 10-mph speed limit is to be observed on the property. Students are to park in the back parking lot of the school, **away from the back gym entrance**. Sitting in cars (“hanging out”) is not permitted before school, during lunch, or after school.

In order to promote campus safety and quick identification of visitors, students who drive to school must have their cars registered with the office. Students will be issued parking passes and must park in the marked student areas (red) of the back lot. Cars will be routinely checked for passes, and students will be fined if the pass is not visible or they are driving an unregistered car. Repeated issuance of fines may lead to the revocation of parking privileges. Students may purchase as many passes as needed according to the number of cars registered in their name. Parking permits are \$2.00 each.

### **C. CELL PHONES/SMART PHONES/LAPTOPS/TABLET DEVICES**

Understanding that parents sometimes need to communicate with students, students are permitted to bring cell phones, including smart phones to school. However, these are not to be on or used during the school day unless administrative permission has been obtained. Students are allowed to use their cell phones before school, after school and during lunch. Cell phones in use during the school day will be confiscated by the teacher or administration and may be examined if there is reasonable suspicion of usage that is illegal, immoral, harmful, or of a cheating nature. Students may bring their own laptop computers or tablet devices to school only with administrative approval. School laptop computers and personal computers are available for student use during the day. Video recording of any student, teacher or class without their prior permission is prohibited.

Violations of this policy will result in...

1<sup>st</sup> offense – warning and return to student at the end of the school day

2<sup>nd</sup> offense – warning and return to parent/guardian of the student at the end of the school day

3<sup>rd</sup> offense – detention and return of phone to parent only

Each subsequent offense will result in detentions and the detention protocols will be followed

### **D. CLASS DUES POLICY**

Class dues are the responsibility of every student enrolled at Mansfield Christian High School, including Independent Studies students. It is the intent that dues may be worked off using fundraising, work events, or may be paid in one lump sum. These events and opportunities must be communicated to each family well in advance, ensuring Independent Studies students have the same opportunity to work off their dues. Class dues are used to fund student events such as Homecoming, Spring Formal, and the Senior Class Trip.

Dues are assessed according to the following guidelines:

Freshman (9 <sup>th</sup> ) grade year	\$ 50
Sophomore (10 <sup>th</sup> ) grade year	\$ 50
Junior (11 <sup>th</sup> ) grade year	\$100
Senior (12 <sup>th</sup> ) grade year	\$100 ( <i>see exception below</i> )

*Exception: Independent Studies students that choose not to go on the senior trip will be charged \$50 their senior year.*

Parents and students will be notified of this expense via communication from the class advisors at the beginning of the school year. The class treasurer is responsible for collecting these dues.

Half of the dues are due by the end of the 1<sup>st</sup> semester and the remainder is to be paid by the end of the 3<sup>rd</sup> quarter. *Dues may be paid using SCRIP credit.*

### **E. COUNSELING**

Guidance and counseling services are available to all students. These services include social and spiritual counseling, assistance with educational planning, testing and the interpretation of test scores, occupational information, career information, school concerns, or other concerns the student may wish to discuss.

### **F. FIRE DRILLS**

Periodic fire drills are required by state law. Signs are posted in each room giving evacuation directions to follow. Please observe the following points during a fire drill:

1. Lights out
2. Windows closed
3. No excessive talking
4. Walk rapidly, do not run

5. Take purses and valuable items with you, leave books
6. Do not wait for others to join you
7. Do not re-enter until an all clear signal is given
8. Stay with your group or class

## **G. HALL PASSES**

Students are required to have a hall pass whenever they are in the halls during class time. Passes may not be used so one may purchase food or drink.

## **H. STUDENT HEALTH**

Parents are responsible for informing the school of any health issues that would affect their student's safety or ability to learn. It is the parent's responsibility to inform the school of such conditions as life-threatening allergies, seizure disorders, diabetes, etc. It is the responsibility of the parent to provide the school with appropriate medication, orders, information, etc. to ensure their student's safety.

If a student becomes ill or injured while at school, they should obtain permission from their teacher to go to the health room or elementary office. Parents will be contacted as necessary. If the school nurse or appropriate administrator gives permission for the student to go home, the parent must sign the student out in the secondary office. In an emergency 911 will be called.

### ***Health Room***

The Health Room is staffed by the school nurse and volunteers. Limited first aid is provided. Supplies in the health room include soap and water, bandages, antibiotic ointment, anti-itch cream, benzocaine (for insect stings), saltwater gargle, petroleum jelly, artificial tears and cough drops.

### ***Medications***

Medications should be administered by parents before or after school whenever possible. If it is necessary for a student to receive medication during school hours parents will need to provide the school with the medication in its original container along with the proper paperwork. New forms must be submitted each school year and any time there is a change (e.g. dose). No medication will be kept over the summer. Parents will be notified to come pick up unused medication. If not picked up, it will be disposed of. **All prescription medications require a doctor's authorization.** All non-prescription medications require a parent form. We cannot administer medications not listed on a formulary for which we cannot look up a safe dosage. Forms are on the MCS website and in the office. No student should carry any medication with the exception of an inhaler or epi pen (with the proper paperwork on file).

### ***Communicable Diseases***

Mansfield Christian School follows the Ohio Department of Health guidelines regarding control of a communicable disease. These guidelines can be found on the Health Room wall and on the Ohio Department of Health Website. [www.odh.ohio.gov/healthresources/infectiousdiseasemanual.aspx](http://www.odh.ohio.gov/healthresources/infectiousdiseasemanual.aspx)

In general: ALWAYS keep your child home for:

- An oral temperature over 100.0 degrees (temporal/ear 100.5) without medicine

- Severe sore throat

When should a student return to school?

- No fever. Must be without fever for 24 hours without taking any fever-reducing medications (like Motrin or Tylenol).
- No diarrhea or vomiting in the last 24 hours and eating normally.
- After being on antibiotics for specified length of time, usually 24 hours.

### ***Immunizations***

Ohio Law requires students be up to date with their immunizations by the 14th day of school. Kindergartners must have 5 DTP/Dtap's, 4 Polio's, 3 Hepatitis B's, 2 MMR's and 2 Varicella's. 7th graders must have an additional Tdap and Meningococcal (new 2016-2017). 12th graders must have 2 doses of Meningococcal (new 2016-2017) to be compliant with Ohio Law. It is the parent's responsibility to provide the school with documentation their child has had the required immunizations.

### ***Screenings***

State mandated screenings are done each year at the following grade levels:

- Vision: Pre K, K, 1, 3, 5, 7, 9, 11
- Hearing: Pre K, K, 1, 3, 5, 9, 11

## **I. LIBRARY**

When students receive permission from their study hall or classroom teacher to go to the library, they must obtain a pass and go with an academic purpose - having work that needs to be done. Books are checked out for two weeks. Late fines are five cents per day.

A replacement fee is charged for books that are unreturned or books that are damaged. Fees are due at the end of each quarter and must be paid prior to the student receiving his/her grade card. Parents are provided with login information to InfOhio to view what books students have checked out.

Library materials are selected consistent with school philosophy and to support the mission of Mansfield Christian School in assisting the Christian home and church by teaching solid academics rooted in a Biblical worldview.

The purpose of library materials is to:

1. Enrich and support all subject areas of the school curriculum taking into consideration varied interests, abilities and maturity levels of the students served and their teacher.
2. Encourage and guide students to become life-long learners and readers.
3. Stimulate growth in factual knowledge, literacy appreciation, aesthetic values and ethical, moral and Biblical convictions.

## **J. LOCKERS**

Lockers are the property of the school, with locker assignments made to all students. Students are responsible for maintaining clean and neat lockers. Students should not keep valuables or money in their lockers. No stickers of any kind are to be put on the outside or inside of lockers.

## **K. LOSS OF DRIVER'S LICENSE**

1. Under Ohio Law (3321.13) the Superintendent must report any student less than 18 years of age who drops out of school to the Registrar of Motor Vehicles and Juvenile Court. This will result in the suspension of license or temporary instructor's permit.
2. Students involved with the selling or distributing of drugs will be reported to the Registrar of Motor Vehicles, resulting in the loss of their license or temporary permit.
3. Students under the age of 18 who are expelled from school for any reason will be reported to the Registrar of Motor Vehicles and lose their license or permit.
4. Students under the age of 18 may be reported to the Registrar of Motor Vehicles if they are habitually absent, or found in possession or under the influence of drugs or alcohol at school or a school function.

## **L. LOST AND FOUND**

Label all belongings with your name. Do not leave money and valuables lying around. Articles found in classrooms, hallways, windowsills, or closets will be taken to the Lost and Found area. Unclaimed property will be disposed of if not claimed within a reasonable length of time. Do not leave clothing in the restrooms. Students who find articles should take them to the secondary office. MCS is not financially responsible for loss or damage to clothing or personal items brought to school.

## **M. LUNCH AREA AND PRIVILEGES**

Food is to be confined to the lunch room area. Students are held responsible for leaving their table area clean. All food should be eaten at the lunch tables in the Multi-purpose room/cafeteria area. Students found outside the designated areas, without permission, may be issued a detention. **Only seniors** are permitted to leave for lunch one day per week. The privilege of going out to lunch lies at the discretion of the administration. It may be evaluated and removed based on proper behavior and timing.

Each student has an account where funds may be added to pay for lunch expenses. Money can be added online using E-Funds (Chalkable Café) or by check payable to MCS.

## **N. OFFICE TELEPHONE**

Students are permitted to use the office telephone to contact parents for important matters only. During school, students must have the permission of a teacher, in the form of a written pass, and/or the permission of the office to use the office phone. Limit calls to two minutes or less.

## **O. POLICE PRESENCE**

Should the police or other law enforcement officer or agent seek to interview a student at MCS during the school day, the administration will attempt to contact a parent or guardian to inform them of the circumstances and establish if the parent/guardian desires to be present at the interview.

## **P. RESIDENCY**

Because our school exists as an extension of the Christian home, students are required to reside with their parents or legal guardians while attending MCS. Students are not permitted to “move out” and live on their own or with anyone other than parents/guardian specified on the student application.

## **Q. SCHOOL CLOSING**

In the event of severely inclement weather or mechanical breakdown, the school may be closed or starting time delayed. **School closing, delayed starting time, or early dismissals will be announced over the following radio and TV stations:**

Mansfield — WMAN, WYHT, WVNO, WVMC (after 7), WMFD (TV) [www.NorthCentralOhio.com](http://www.NorthCentralOhio.com)  
Ashland — WNCO  
Shelby — WSWR

If no report is heard, it can be assumed that school will be in session. Do not call a faculty or staff member for school closings: you will receive an automated phone call.

## **R. TEXTBOOKS**

At the beginning of the school year, students must write their name on the inside front covers of their issued textbooks and notebooks. In the event that textbooks are lost and not found within one week, the student should report it to the teacher. The replacement cost must be paid by the student before a second book will be issued. Students are to avoid marking in their textbooks. Excessive wear and damage will result in a fine when the textbook is returned at the end of the year.

## **S. TORNADO DRILLS**

Whenever there is a tornado drill or evidence that a tornado has been spotted, we will follow these procedures as quickly as possible:

1. A continuous bell will sound or back-up alarm system.
2. All teachers will take attendance.
3. Students should move quickly and without talking. Do not take books.
4. Students should face an inside wall, bend over, and place their hands on the back of their heads.
5. Students are to remain in that position until an “all-clear” announcement is made and follow the teacher’s instructions and return to the classroom.
6. If students are outside away from school, they should take cover in a ditch or low area. They should lie flat and cover their head.

## **T. TRIPS**

Discipline: If the MCS supervising personnel determine that a violation of the rules has occurred during a school trip, the school Superintendent or Principal will be first notified. The student will then be sent home immediately, and parents will be responsible for their transportation and all expenses. Disciplinary action at the school will then proceed.

1. Any MCS student who is under Disciplinary Probation or has received seven or more detentions during the course of the year will not be permitted to participate in overnight trips.
2. Seniors who have missed more than 14 days of school and/or class will not be permitted to attend the Senior Class Trip. Rather, those students must make up the lost time at school during those days.

## **U. VISITORS**

Any student desiring to visit MCS must abide by the following policies:

1. Report to the secondary office and obtain a “Visitor’s Pass.”
2. Visitors from schools that are in-session that day must bring a note from their school administration granting permission. If the school is not in-session, permission must be granted by an MCS administrator.
3. Visitors must dress similar to the guidelines for Campus Wear.
4. Students previously dismissed from MCS or those who have been on probation must call the Principal before planning to visit.
5. In most cases, visitors must be prospective students.
6. No visitors are permitted during the last two weeks of school

## **V. WORK PERMITS**

State law requires that every student under the age of 18 who obtains a job must first get a work permit application form from the secondary office.

## **CUSTODY POLICIES**

The splitting of a family is traumatic for parents and particularly for students. Consequently, the focus of MCS is on the safety and well-being of your student, and our instituted policies are to further those goals.

### ***Custody Documentation***

At the time of enrollment, parents shall provide all relevant documents concerning custody or visitation of each student enrolled at Mansfield Christian School.

Parents of enrolled students shall have an ongoing duty to provide any documents and information relevant to a change in current custody or visitation rights to MCS within seven days of change or at the time of reenrollment if the school has dismissed for summer break.

### ***School Records***

A noncustodial parent shall have the right to access school records related to his or her student unless prohibited by a legally binding instrument.

### ***Dismissal and Early Releases***

No student shall be released to any individual other than a custodial parent unless express written permission is first given to MCS by a custodial parent or a valid legally binding instrument granting release is on file with MCS. All early dismissal requests shall go through the Principal’s office. A parent cannot ask the school to withhold release of his or her student to the other parent or parent’s representative without a legally binding instrument.

### ***Parent-Teacher Meetings***

It is MCS's policy to provide separate parent-teacher meetings if the need arises and if the school is informed in a reasonable time.

### ***School Communications***

It is the custodial parent's duty to communicate with the noncustodial parent regarding school announcements and notes.

## **ATHLETIC AND EXTRA CURRICULAR ELIGIBILITY POLICY**

Students must be in good academic standing to participate in extra-curricular activities. Points are accumulated on received grades of "D's" or "F's" for each quarter. A "D" is worth 1 point, while an "F" is worth 2 points. A student may not accumulate three or more penalty points. If a student receives three or more points, he/she will be placed on probation until the next time report cards are issued (unless certain circumstances arise). At the discretion of the Athletic Director, Principal, and/or coach, a student can be placed on probation at any time. Eligibility will begin/end at noon on the Friday following the end of the quarter.

1. A student who is on probation may practice with his/her team at the discretion of the Athletic Director, Principal, and/or coach.
2. A student on probation may not dress in his/her uniform or participate in games during the probationary period. The student may travel with the team at the discretion of the coach.
3. If tryouts for a particular sport occur during a student's probation and cuts will be made, the student will be permitted to participate in the tryout process.
4. Eligibility will be determined on the day grade reports are sent home.
