New Sport Process	Appendix A

***MCS is a biblical-based inter-denominational school dedicated to a strong academic program with Christian character and Biblical truths integrated into every area—including athletics—in order that***

***students develop a lifelong Christian worldview. We desire a Christ-centered athletic program that upholds standards, reflecting a distinctive Christian athletic department.***

**THEME SCRIPTURE:**

*Let the word of Christ dwell in you richly in all wisdom. And whatsoever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him. (Colossians 3:16a & 17)*

*Encourage the young men to be self-controlled. In everything set them an example by doing what is good. In your teaching show integrity, seriousness, and soundness of speech that cannot be condemned, so that those who oppose you may be ashamed because they have nothing bad to say about us. (Titus 2:6-8)*

*But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary, and they shall walk and not faint. (Isaiah 40:31)*

**PURPOSE:**

The primary mission of the Mansfield Christian Athletic Department is to provide quality interscholastic experiences in a distinctively Christian program.

**The school is committed to an athletic program, which will bring glory to God by**

- Teaching athletes to display Godly character traits as part of their Christian testimony to the opposing team's members and fans.
- Teaching athletes to strive for ultimate performance while upholding Christian values and Biblical principles. (Colossians 3:23).
- Teaching athletes that their value to the team is found in contributing their best in the role assigned for the benefit of the team.
- Implementing programs dedicated to the development of "athletic potential" in participating athletes and helping those athletes prepare for higher levels of competition.
- Providing the best Christian coaches available.
- Providing adequate training facilities.
- Selecting and using equipment that is safe and properly maintained.
- Involving the student body, parents, and teachers in developing school spirit and unity.
- Providing a safe environment for athletes and fans.

**Real Source for True Victory** *Thanks be to God, who gives us the victory through our Lord Jesus Christ. (1 Corinthians 15:57)*

**Each coach is committed to**

- Guiding athletes to glorify God.
- Teaching each athlete to work diligently toward specific personal and team goals.
- Teaching the "team concept" as opposed to self-glorification.
- Teaching interpersonal relationship skills.
- Teaching respect for rules and authority.
- Designing practice sessions to provide developmentally appropriate training and conditioning of athletes.

## I. PHILOSOPHY OF THE MCS ATHLETIC PROGRAM

The purpose and goal of our athletic program are to bring glory to God with our attitudes and efforts and to develop Godly characteristics in athletes through challenging athletic competition.

### Team goals for all players and coaches:

- Become an integral part of a team according to God's pattern for teamwork described in I Corinthians 12:12-26.
- Walk closer with our Lord Jesus Christ through opportunities of hearing others share their experiences with Him and through opportunities to share our own relationship with Him.
- Become the very best player/coach that God will allow with the strength and talent He has given.
- Receive the unconditional love of God through the coaches and players and having received, share this love with others.
- Influence the halls and classrooms of Mansfield Christian in a positive way to the glory of God and in the strength that comes through fellowship with other believers.
- Understand the perseverance and confident humility that comes through facing difficult circumstances and, in the strength given by God, learn to win and lose to the glory of God.
- Be a strong testimony to all spectators.
- Learn to come under the authority (coaches, officials) that God has placed over each team member.
- Strive for excellence in all things—physical, spiritual, and academic. *Be perfect, therefore, as your heavenly Father is perfect.* (Matthew 5:48)

## II. SPORTS OFFERED AT MANSFIELD CHRISTIAN

We will continue to provide a variety of programs to fit the interests of our students.

The following programs will be offered this year:

If an individual(s) would like to add a sport offered by the Athletic Department, there is a formal process to follow for that sport to be considered. The New Sport Packet should be submitted to the Athletic Director 10 months before the official start date of the proposed new sport's season. The New Sport Packet can be found in Appendix A of the Athletic Handbook.

### III. REQUIREMENTS FOR PARTICIPATION

**The Victor's Crown.** *If anyone competes as an athlete, he does not receive the victor's crown, unless he competes according to the rules. (2 Timothy 2:5)*

#### A. Eligibility

1. AGE: When a high school student (grades 9-12) turns 20 years of age, he/she becomes ineligible for interscholastic athletics. There is an exception to these bylaws, so please arrange a meeting with your principal or athletic director to review this exception within Bylaw 4-2-1.
2. ATTENDANCE: School and class attendance is very important for each athlete. For an athlete to practice he/she must be present in class for half the day. If a student misses more than half of the school day, the student may not participate in any practices, games or performances that day. To meet the half-day requirement, a student must be present prior to 11:35 am and stay the remainder of the day, or they cannot leave prior to 11:35 am if present at the start of school. Excuses should be given to the Athletic Director for unusual circumstances. Unusual circumstances could be a funeral, an orthodontist appointment or other unforeseen appointments that are difficult to schedule. Under no circumstances would tiredness, studying for a test, doing homework, or similar excuses be allowed.
3. ACADEMICS FOR HIGH SCHOOL: Student-athletes must pass 5 one-credit-hour classes, or the equivalent, and be in good academic standing. Points are accumulated on received grades of "D's" or "F's". A "D" is worth 1 point, while an "F" is worth 2 points. A student may not accumulate 3 or more penalty points. Grades are checked at the interim and at the end of each quarter. If a student receives 3 or more points, he/she will be ineligible to play until the next time grades are reported. At the discretion of the Athletic Director, principal, and/or coach a student can become ineligible at any time.
  - a. The student who is ineligible may practice with his or her team at the discretion of the Athletic Director, principal, and/or coach.
  - b. The student deemed ineligible may not dress in his/her uniform or participate in games during the ineligibility period. The student may travel with the team at the discretion of the coach.
  - c. If tryouts for a particular sport occur during a student's term of ineligibility and cuts will be made, the student will be permitted to participate in the tryout process.
  - d. Eligibility will be determined on the day grade reports are distributed to students (to include interim and quarter grades). Administrative discretion can be used in determining eligibility when extenuating circumstances exist but will be applied only on rare occasions.
  - e. 4<sup>th</sup> quarter grades are used to determine eligibility for fall sports. This includes 8<sup>th</sup> grade students who wish to be eligible to play in 9<sup>th</sup> grade.

- f. All OHSAA rules and regulations apply and must be met in addition to MCS guidelines. **According to OHSAA guidelines, summer school courses may NOT be used to determine eligibility.** However, a student may retake a course over the summer in order to meet the eligibility requirements established by MCS under certain conditions. (see Student Handbook for details)
- B. **PHYSICAL EXAM.** A completed physical exam is required for all athletes each year. OHSAA Forms must be used and can be obtained in the school office or at the Athletic Tab on our website. The exam form must be turned in **before** the season begins or the athlete will not be able to try out for the team. Physical examinations are valid for participation for 13 months from the date of the exam except for those that take place from May 1-June 1. Those exams are valid for one year plus through the end of the next school year's spring sports season.
- C. **ATHLETIC FEE.** Athletes participating in an MCS sport during their 7<sup>th</sup> or 8<sup>th</sup> grade year will be assessed a \$100 fee per sport. Students in grades 9<sup>th</sup>-12<sup>th</sup> will be assessed a \$125 fee per sport they participate in. There is a \$350 family max each academic year. Payment options are available for those in need. Contact the Athletic Director or Athletic Secretary for more details on payment options. The Cheer and Swim teams will have a different fee structure due to sport-specific costs. Each swimmer will be assessed an additional \$50 fee, this will not apply to the Family Max. Cheer fees are subject to uniform requirements.

Athletic fees must be fully paid prior to an athlete moving on to the next sporting season.

#### IV. CONDUCT AND GENERAL POLICIES

**Control.** *A fool gives full vent to his anger, but a wise man keeps himself under control.* (Proverbs 29:11)

- A. It is important that our attitude and behavior be under control at all times. The team suffers when an individual loses control or gets frustrated. Respect toward officials, players, and a coach is expected. The High School Principal, Athletic Director, and coaches will deal with inappropriate language or conduct carried out in the classroom or on the athletic field.
- B. Every player is responsible to treat equipment (balls, bats, etc.) like it is his or her own. The athlete will pay for damaged equipment. Locker rooms and dugouts (home and away) must be cleaned before leaving.
- C. The uniform issued to each athlete is his/her responsibility. Lost or damaged uniforms must be paid for in full. All uniforms need to be cleaned properly and returned clean.
- D. All injuries must be reported to the coach so that proper care may be given.
- E. Use of alcohol, tobacco, and/or drugs (including vaping):  
First Violation - The student will be denied participation in 20% of scheduled public performances (not scrimmages) or 3 events, whichever is greater. The student will forfeit any positions of leadership and awards relating to a position of leadership.  
  
Second Violation – The student will be removed from the team for the remainder of the season in which he/she is currently participating. The student will lose leadership responsibilities for the balance of his/her middle school or high school career. In most

cases second offenses in this category will likely result in dismissal from Mansfield Christian School.

- F. School Suspensions: If a student is suspended from school for a non-alcohol/drug related issue the student is ineligible to participate in any extra-curricular activities for the duration of the suspension and will be ineligible for 1 game even if it is outside of the duration of the suspension days.
- G. Wednesday Night/Sunday Practice Policy  
Mansfield Christian School is committed to the spiritual development of all students. Student-athletes are encouraged to engage in community with their peers in a local youth group. Because some local churches host youth group gatherings on Wednesday, all athletic practices will end before 6 pm on Wednesdays. No official practice will take place on Sundays. Coaches should encourage athletes to attend youth group and other church activities.
- H. Practice Dress Code  
Athletes are expected to dress modestly for practices. This includes no cut-off shorts (due to short inseam), tank tops, muscle shirts, and shorts that are not fingertip length or made of spandex (with nothing covering their spandex).
- I. Unexcused Absences  
Under the following circumstances, athletes will not be excused from practice and/or games: *(Absences due to the following situations are not excused because of the other athletes who are involved and the toll it takes on the team when one of its members is not there for a practice or game. It is important to be committed to the team.)*
  - 1. Babysitting brother or sister
  - 2. Work or planned absence from school
  - 3. Parents "benching" athletes (To help your child, please work with the coach and/or Athletic Director.)
  - 4. Conduct ineligibility
  - 5. Shopping/Appointments*(Each situation will be discussed between the coach and Athletic Director.)*
- J. Excused/Unexcused Absences at the discretion of the Athletic Director/Coach  
Parents/Students: *When it is possible please schedule doctor, dentist appointments, and college visits around practices and games. These things are important, but there is also a commitment to the team and the teammates. If a scheduling conflict does arise, please contact the coach and/or Athletic Director as soon as possible.*
- K. What Happens When Tardies/Absences are Unexcused
  - 1. Unexcused absences
    - a. Absences from a game
      - 1st - It should be understood that the playing time of the athlete will be affected. Coach calls parent.
      - 2nd - The athlete has a meeting with the Athletic Director and coach. Consequences are communicated at the meeting.
    - b. Absences from practice

- 1st - The athlete cannot start the next game and his or her playing time will be reduced.
- 2nd - Coach calls parent. The athlete has a meeting with the Athletic Director and coach. Consequences are communicated at the meeting.

2. Unexcused tardies

a. Tardies to a game

- 1st - The athlete will understand that his or her playing time will be affected and additional conditioning assigned.
- 2nd - The athlete will understand that his or her playing time will be reduced even more than the first time. Coach calls parent. Consequences are communicated to player and parent.
- 3rd - The athlete has a meeting with the Athletic Director, coach, and parent. Consequences are communicated at the meeting.

***The player could be dismissed from the team.***

b. Tardies to practice

- 1st - Conditioning work is assigned at the coach's discretion.
- 2nd - Conditioning work is assigned at the coach's discretion. Coach calls parent.
- 3rd - Meeting with Athletic Director, coach, and parent. ***The player could be dismissed from the team.***

L. Quitting a Team

Athletes that quit a team during the season will be considered ineligible for his/her next sport of choice, except at the discretion of the Athletic Director.

M. Specific Rules for Parents

1. SPORTSMANSHIP. Please remember your actions and words are a reflection upon our Lord, our school, and our families. (Ephesians 4:29)
2. AUTHORIZED AREAS. Parents are not allowed in the locker rooms near the bench. Fans are to sit on the bleachers. Parents are not to come on the playing surfaces or bench area unless requested by an athletic department staff member. We realize that this may be difficult if you think that your athlete may be injured, but it is the very best thing that you can do.
3. SUPPORT. The public support of the coaches at MCS is most important. Please refrain from talking derogatorily about coaches or school personnel. Negative comments will erode authority and respect and eventually hurt our program and school.
4. PROMPTNESS. Be prompt in picking up athletes after practices and games. It is our goal to respect everyone's time and commitments. *But everything should be done in a fitting and orderly way.* (I Corinthians 14:40)
5. CONFER WITH COACHES. Talk with the coach and Athletic Director before taking athletics away from your son/daughter for discipline reasons. The team is counting on him/her and the decision affects everyone involved.
6. DISAGREEMENTS. God gives us guidance in the event two or more individuals have a disagreement. Matthew 18:15-16 teaches us that there is a process for solving problems with others. It is a process that begins privately with the offended and the offender. Clear steps are given on how to proceed from that point if the problem is not resolved.

Galatians 6:1 tells us that our motive in confrontation should always be the restoration of the relationship if that is possible. At any level of the process, it may be helpful to invite others to participate in the discussion if it is believed that their involvement will assist in reaching a solution. The steps to resolving a disagreement are as follows:

- Athlete and coach meet
  - Athlete, parents, coach meet
  - Athlete, parents, coach/AD meet
  - Other administration as needed
7. PRE-SEASON PARENT MEETING. At least one parent should attend the pre-season athletic meeting prior to their child participating in a sport. The meeting will have important information for parents regarding their athlete's participation that season. If a parent is unable to attend they must communicate with a coach ahead of time.
  8. CHEER. Cheer and cheer loudly. Let the entire team hear your support! Be positive. Be enthusiastic. **Be LOUD!**

N. Season Passes

Season passes may be purchased for all home Mansfield Christian sporting events. An individual pass can be purchased for \$75 and a family pass for \$175. Family passes are valid for those who live in the immediate household. Grandparents and adult children cannot be admitted under the family pass unless purchased separately.

O. Fan Ejection Policy

The Mid-Buckeye Conference Sportsmanship guidelines ask that fans attending athletic events maintain a high standard of sportsmanship behavior.

Fans who do not follow the expected guidelines and are ejected from an athletic contest and/or demonstrate misconduct before, during, and after contests will be subject to a suspension equivalent to 10% of the season of the specific sport (gender and level) from which the ejection occurred. During the suspension period, the fan may not attend any contests, in any sport or at any level, involving any MBC member school. This includes any High School or Middle School team or individual competition. The suspension period begins immediately after the infraction. There must be a phone conversation or meeting with the offender with the Principal and/or Athletic Director within 72 hours of the offense.

A second violation of this policy will result in a suspension equivalent to 50% of the season of the specific sport (gender and level) for which the ejection occurred with a mandatory meeting with the home school Principal and Athletic Director. During the suspension period, the fan may not attend any contests, in any sport or at any level, involving any MBC member school. This includes any High School or Middle School team or individual competition. The suspension period begins immediately after the infraction.

Any further violations will result in a calendar year suspension from all contests in all sports with a mandatory meeting with the Principal, Athletic Director, and Superintendent of the home school. During the suspension period, the fan may not attend any contests, in any sport or at any level, involving any MBC member school. This includes any High School or Middle School team or individual competition. The suspension period begins immediately after the infraction.

1. The length of any suspension remains at the discretion of the Athletic Director and grade level principal.

2. Suspensions occurring at the end of a season and/or has remaining suspended days will carry over into the next athletic season with remaining suspension beginning with the first scheduled contest at any level, including High School and Middle School.
3. Suspensions occurring at the end of the school year will carry over to the next school year beginning with the first scheduled contest at any level, including High School and Middle School.

## V. VARSITY LETTER QUALIFICATIONS

- A. Athletic awards are given in recognition of outstanding athletic achievement and service to the school.
- B. The first year an athlete letters in a particular varsity sport he/she receives a chenille letter and a pin of that sport. Each additional year he/she letters in that sport, the athlete receives a bar. If an athlete letters in another sport, he/she receives a pin for that sport.
- C. The head coach has the prerogative to issue or withhold a letter for extenuating circumstances such as early-season injuries, team or league violations, etc. Coaches must provide sufficient documentation of these circumstances to the principal and Athletic Director. In all cases, students must complete the season as a member of the team in order to letter.
- D. Criteria for Lettering for Each Sport
  1. Student must have completed the entire season.
  2. Student must have played in at least one-half of the season's competition.
  3. Student must attend practices and games unless excused by the coach.
  4. Student must not have been a disciplinary problem.
  5. All equipment must have been turned in.
- E. It is a privilege to receive a letter, and it must be earned. Just participating on a team is not enough to earn a letter. Seniors in good standing will letter.
- F. In case of special circumstances, each situation will be reviewed by the Athletic Director.

## VI. AWARDS

- A. As stated in our philosophy, we want our athletes to demonstrate the character qualities of Jesus Christ. Therefore, our awards in athletics will be based on how well the athletes show these characteristics. Our purpose in giving awards is to recognize character development.
- B. At each of the sports awards ceremonies, we desire that our students are recognized and also that Jesus Christ be glorified and honored.

### High school awards:

1. **The Torch Award** is given to the player that best exemplifies Christ with their actions, conduct, and attitude, in games, practice, and in their daily life. It includes performance but is not the primary consideration. Their relationship and the living for the Lord is the primary consideration.
2. **The Most Inspirational Award** is given to the player whose attitude, hard work, enthusiasm, and encouragement, caused you to want to do

a better job. This is the player that had a positive attitude and did everything they could to be an encouragement and help to their teammates.

3. **The Champion of Excellence Award** is given to the outstanding athlete who has shown the best ability, accomplishment, leadership, and overall Christian character.
4. **The Senior Athlete Award** is given to the student-athlete who has received a minimum of 4 Varsity letters, earning at least one Varsity letter their senior year.
5. **The Tri-Sport Athlete Award** is given to the outstanding athlete who has participated in all 12 seasons (Fall, Winter, Spring) during their High School career OR has earned 9 Varsity letters while attending Mansfield Christian School.

#### **Middle school awards:**

1. **The Coachable Award** is given to the player for demonstrating an ability to pursue instruction and direction from coaches and teammates and act upon it with a positive spirit.
2. **The Hustle Award** is given to the player for demonstrating an ability to play and practice with an intensity and desire to be his/her best.
3. **The Torch Award** is given to the outstanding athlete who has shown the best ability, accomplishment, leadership, and overall Christian character.

### **VII. CHARACTER QUALITIES WE DESIRE IN OUR ATHLETES:**

*All of our coaches go into the season knowing they will be expected to encourage the development of the following positive character qualities in the athletes.*

What follows is a list of character qualities that are desired in MCS athletes. The quality has a short description and a Bible verse that is applicable for that quality. There may be many other verses that apply as well. Athletes and coaches are encouraged to use these qualities as topics for devotions and dialogue.

1. **Boldness** - Being ready to boldly express what Jesus Christ has done for you. The Christian athlete cannot be one who is timid or gives up. (Act 4:29)
2. **Commitment** – Staying the course. (I Corinthians 15:58)
3. **Confidence** - Knowing that he/she as an individual athlete is a winner in God's sight as he/she totally gives all he/she has to Jesus. (Ephesians 1:7-14)
4. **Dependability** - Attending all practices games/contests unless excused by the coach. Doing what is expected in all situations. (Titus 2:6-8)
5. **Determination** – Making a mental, spiritual and emotional decision to accomplish God's goals in His time, regardless of the opposition. (II Timothy 4:7)
6. **Diligence** – Willingness to use all strength and ability to complete each part of a task whether in practice, in a game, or anywhere else. (Colossians 3:23)
7. **Endurance** - Being able to withstand stress, hard work, and the problems that all Christian athletes experience. (Galatians 6:9)
8. **Enthusiasm** - Taking an interest in every aspect of the sport and being willing to quickly carry out every part of the job with a positive attitude. (I Thessalonians 5:16)

9. Faith – Showing an understanding that the Lord is in control of all circumstances and that He is carrying out His will in each individual life. (Hebrews 11:1)
10. Honesty - Doing what is right in the eyes of the Lord. (Proverbs 11:3)
11. Humility – Having an attitude that gives God all of the credit for every team and individual ability, talent, and/or success. (Philippians 2:3)
12. Intensity - Giving everything to the task at hand at all times, focusing total attention on the job assigned, and putting forth every effort to complete it perfectly. (1 Samuel 17:45-47)
13. Joyfulness – The result of a personal relationship with Jesus Christ from which His love naturally overflows to others. (Philippians 4:4)
14. Love – Exhibiting self-sacrifice and showing a real concern for team members, coaches, and opponents, remembering that Christ focused His love upon others, not Himself. (John 13:35)
15. Obedience - Jesus was always obedient to His Father's will. Each athlete should strive to be obedient to both the Lord and to those whom He has put in authority over us. (II Corinthians 10:5)
16. Punctuality – Arriving early to all practices and games. (Ecclesiastes 8:6)
17. Responsibility – Taking the initiative to work and make intelligent decisions. All athletes need to do everything that is expected of them. Coaches need to know that athletes are capable of doing things without direct supervision. (1 Timothy 4:6-8 & 1 Corinthians 7:24).
18. Service – Having a servant's heart. Leading by serving. (Matthew 20:28)

## Appendix A

### **New Sport Process at Mansfield Christian**

#### **Definition**

- For purposes of this process, a new sport is defined as a junior high or high school sport that has not been played at MCS during the previous school year.

#### **Procedure**

1. Submission of New Sport Packet to the Athletic Director/ MCS Athletic Committee by the interested party/parties.
2. Discussion and recommendation by the MCS Athletic Committee on adding the “new sport” to Athletic Director.
3. Athletic Director recommendation to Leadership Team.
4. MCS Leadership Team has the final decision on approving or denying the new sport. The Leadership Team may seek the counsel of the School Board at their discretion.

#### **Timing of the Request**

- The request by the interested party/ parties must be initiated by submitting the “new sport proposal” 10 months before the first scheduled competitive event would occur. Incomplete forms may be accepted but could impact the decision made.

#### **Important Factors the MCS Athletic Committee Considers**

1. Self-Sufficiency – number of players, number of coaches, and facilities to be needed.
  - a. An important factor is what potential impact(s) adding the sport will have on other MCS sports.
2. Sustainability - number of competitor schools to play and schedule; viability of a full competitive schedule. Not only in the first year but many years into the future.
3. Financial Cost – how much per player, facility costs, competition costs, coaching costs, and travel costs.
4. Timing of Request – if approved there must be a reasonable time for the MCS Athletic Department to plan for, schedule, and prepare for the season. Submissions will be accepted after the 10-month deadline but may impact the decision made.
5. Athletic Department’s ability to handle the new sport – availability of staff, sponsors, coaches, and trainers.
6. Overall Student Experience at MCS – How will this new sport add to the students’ experience?

## MCS NEW SPORT PACKET

\* These factors will be addressed by the interested party submitting the New Sport Packet.

Submitter: \_\_\_\_\_

Date Submitted: \_\_\_\_\_

1. Student Interest
  - a. What is the student interest to support the new sport; not only for the 1<sup>st</sup> year but for numerous years (3-5) in the future?
    - i. Include a list of students' names.
  - b. Are there elementary and junior high programs that are developing long-term interest in the sport and can feed the high school program?
  - c. Will the interested students impact participation in current MCS team sports?
  - d. Will this be only a male sport or a female sport, or both?
  - e. Is there a recreational/ club sport alternative to the new sport?
2. Coaching Interest
  - a. What is the coaching interest to support the new sport; not only for the 1<sup>st</sup> year but for numerous years (3-5) in the future?
    - i. Include a list of coaching candidates and their resumes.
  - b. Do these coaches coach other MCS team sports?
3. Costs of Participation and Play
  - a. What are the costs associated with practice and competition?
    - i. Include a list of the costs.
  - b. Will the costs require a higher student participation fee?
  - c. What are the start-up costs for equipment, jerseys, and practice location?
    - i. Include a list of the costs.
  - d. How many coaches are required and what are the fees, licenses, and stipend amounts for them?
    - i. Include a list.
4. Other School Participation in the Sport
  - a. How many other area schools (within 50 miles) participate in this sport?
    - i. List the schools.
  - b. Is this an OHSAA sanctioned sport?
  - c. Is this a Mid-Buckeye Conference sport?
  - d. Do any of the participating schools schedule Division 3 (MCS size of school) competitions?
    - i. List those schools.
  - e. What potential schools would MCS compete against?
    - i. List those schools.
5. Facilities
  - a. What fields, gyms, and any other facilities will this sport require for practices?
  - b. What fields, gyms, and any other facilities will this sport require for home competitions?
    - i. Do any other MCS sports use those facilities during the same season?
  - c. What would be the anticipated weekly schedule for those facilities?
  - d. Does MCS have the facilities needed?
    - i. If not where are anticipated facilities located?
