

Wait Pool Information

Mansfield Christian School

Mansfield Christian School is grateful for continued growth and strong interest from prospective families. Due to high demand and class size limits, some grade levels may fill before all qualified applicants can be offered a seat.

When this occurs, accepted applicants who are not placed in the initial round of enrollment will be added to our **wait pool**. This means your child is still under active consideration should a seat become available.

How the Wait Pool Works

- The wait pool opens once all seats in a grade level are filled.
- Students in the pool are reconsidered as openings arise, with priority given to siblings of current students and children of faculty/staff.
- Admission is not determined by a ranked list. Each available seat is filled based on a range of factors including class dynamics and student fit.
- We encourage families to remain in the wait pool even if space does not open during the current enrollment year. When the next application cycle begins, we will contact you to confirm continued interest. At that time, updated academic and behavioral records will be required.

Key Timeframes

While openings may occur at any time during the year due to family relocations or other changes, two important dates to be aware of are:

- **February:** Re-enrollment for current families closes at the end of the month. Openings for the upcoming school year are most commonly identified in **March**.
- **March:** The first enrollment fee payment is due. Additional seats may open following this deadline.

If you have questions about the wait pool process, please contact the Admissions Office at **419-756-5651 ext. 219 or ext. 239**.
