Class Information & Benefits

- ▶ Open to all independently schooled students including MCS IS students.
- ▶ Classes taught by godly, experienced teachers.
- ▶ Prepares 5th & 6th grade students for junior high classes and 7th & 8th grade students for high school classes.
- ▶ High School students receive one graduation credit for each completed class.
- ▶ Aids in transition from an independent setting into a more traditional classroom setting.
- ▶ Moves students to the next level educationally with the addition of labs, note taking, writing and test-taking.
- ▶ Gives students opportunities to work in group settings and manage class assignments and meet deadlines.
- ▶ Helps build students' academic and personal confidence.

Class payment due the first week of each semester

MCS IS student class fees can be combined with tuition
